

AAUW Santa Maria Branch Blog – June 2018

Installation of Officers – Time for Tea!

What a delightful afternoon we ladies spent in the lovely Victorian home of one of our members, where we were treated to High Tea, delicate china tea cups, fine foods, and warm conversations with friends. As our newsletter said,

We will be installing our new board members and thanking our outgoing board members. Certificates honoring our three Century Club recipients for 2017-18 will be presented.

We are all “Looking Forward” to a very special event to conclude our busy AAUW year. I extend a personal invite to everyone to help celebrate at this special afternoon tea.

We were treated to tours of her lovely home, beautiful grounds all around the house, and interesting interactions throughout the home that Saturday afternoon. Installation was more informal this year, yet just as enjoyable as the many in years past.
